

# Circle of Excellence

## UCI School of Physical Sciences

The **School of Physical Sciences Circle of Excellence** is a premier network for the school's friends, alumni, and professionals with the desire to engage with the school in an in-depth and meaningful way. The Circle of Excellence is for individuals who care deeply for the School of Physical Sciences and who want to make a commitment to invest in our greatest needs by supporting the impressive work of our students, faculty and staff.

The Circle of Excellence donation funds will be used for areas of imminent need directed toward student support, faculty research, and dean's priority areas. Examples of projects your giving will impact include: undergraduate lab upgrades and renovations, student conference travel assistance, departmental outreach activities, and much more.
