

UC Irvine School of Physical Sciences
Phase 3 Research Application
Rev(iii), March 31, 2021

1 Do I need to submit this form?

- YES - if you didn't participate in Phase 2 Research and want to participate in Phase 3 Research with your coworkers.
- YES - if you have an approved Phase 2 Research Plan, and **want to increase the number of coworkers** present, at any one time, in any of your laboratories or offices.
- YES - if you are moving to new space after April 5, 2021.
- NO - if you simply wish to once again occupy your faculty or staff office.
- NO - if you have an approved Phase 2 Research Plan **that you will continue to follow** during Phase 3.

2 Plan Owner information

- First Name: Last Name:
- email: Department:

3 General information

This application concerns:

- A Facility. facility name:
- A research laboratory.

Do you have an approved Phase 2 Research Plan?

- Yes. No.
- If you responded "No", please confirm here that all of your coworkers have read the [Check List for Research Activities](#). Confirmed

4 Your Phase 3 Research Plan

4.1 Your Work Spaces

- Please indicate the **total number of people** from your group who will be coming to campus during Phase 3, including yourself.
- Your coworkers will work in office spaces and/or laboratories (“Rooms”). Specify the building name, room number, and the number of coworkers (“Count”) in each Room. Also indicate whether the Room is shared with the coworkers of **another faculty or staff member**, or more than one:

– Room 1 .	Count	Shared?
– Room 2 .	Count	Shared?
– Room 3 .	Count	Shared?
– Room 4 .	Count	Shared?
– Room 5 .	Count	Shared?

- Please produce and attach **floor plans for each laboratory** that indicates the locations of physically-distanced work stations for each coworker. Also indicate with lines personnel traffic paths through your laboratory. Indicate unidirectional paths (preferred) with arrows. For more information, consult: [Guidance for General Laboratory Safety Practices during the COVID-19 Pandemic](#).
- Phase 3 guidelines require that your Phase 3 Research Plan provides for a minimum spacing between coworkers of 6 ft. **Please select one of the responses below:**
 - I conform to this spacing requirement.
 - I conform to this spacing requirement with a minor modification, as explained in (4.2) below.
 - I do not conform to this spacing requirement and request an exception as explained in (4.3) below.

4.2 A Minor Modification Pertaining to Your Phase 3 Safety Plan

Text

If you require more space, please Email a WORD document to [Assoc Dean Penner](#) when you submit your Phase 3 Research Plan.

4.3 Request for Exceptions to the 6 ft. Spacing Requirement.

Text

If you require more space, please attach a WORD document to your email (see below) when you submit your Phase 3 Research Plan.

5 What to do with your Phase 3 Plan

- Take your **Phase 3 Research Plan** (this form)...
- ...and your **laboratory floor plan(s)**, ...
- ...and your **explanations contained in WORD docs** (if necessary), from 4.2 or 4.3 above, and...
- ...Email all of this (in a single email please) to the appropriate liaison:
 - CHEMISTRY faculty: Vice-Chair **Greg Weiss** at gweiss@uci.edu.
 - ESS faculty: Vice-Chair **Claudia Czimcsik** at czimczik@uci.edu.
 - MATHEMATICS faculty: Chair **Mike Craston** at mcransto@math.uci.edu.
 - PHYSICS and ASTRONOMY faculty: Vice-Chair **Pedro Ochoa-Ricoux** at jpochoa@uci.edu.
