"Understanding extensive molecular patterns will help mold, shape and improve current major issues such as the global energy crisis and health problems."

~Alvin Kurnik Chemistry

Majors and Specializations/Concentrations and minors

CHEMISTRY

Biochemistry
Chemical Education
 (with Secondary Teaching
 Certification option)

Agricultural Scientist
 Analytical Chemist
 Chemical Engineer
 Chemist
 Crime Lab Analyst
 Dentist
 Dietician
 EPA Inspector
 FDA Inspector
 Food Scientist/Technologist
 Forensic Chemist
 Geochemist
 Geologist
 Hospital/HMO Administrator
 Lawyer
 Museum Curator
 Nurse
 Optometrist
 Pharmaceuticals Pharmacologist
 Physician
 Quality Assurance
 Laboratory Technician
 Soil Scientist
 Teacher, Science/Math
 Veterinarian

EARTH SYSTEM SCIENCE, B.S.

**Geoscience Education with
 Secondary Teaching Cert**

ENVIRONMENTAL SCIENCE, B.A.

**Geoscience Education with
 Secondary Teaching Cert**

Specializations:

Atmospheric Science
Oceanography
**Hydrology and Terrestrial
 Ecosystems**

Environmental Analyst/Engineer
 Environmental Health Specialist
 EPA Inspector
 Forensic Investigator
 FDA Inspector
 Geo-Technician
 Hydrogeologist
 Meteorologist
 Mineralogist
 Naturalist
 Oceanographer
 Seismologist
 Soil Scientist
 Water Scientist

MATHEMATICS

Math for Economics
**Applied and Computational
 Mathematical Biology**
Math for Education
 (with Secondary Teaching
 Certification)

Accountant
 Actuary
 Auditor
 Banker
 Compensation/Benefits Manager
 Computer Programmer
 Cryptographer
 Database Administrator
 Economist
 Engineer
 Financial Investment Analyst
 Market Research Analyst
 Production Manager
 Programmer Analyst
 Real Estate Broker
 Salary Analyst
 Statistician
 Teacher, Science/Math
 Technical Writer/Communicator
 Treasury Management Specialist
 Underwriter
 Weight Analyst

PHYSICS

Astrophysics
Computational Physics
Philosophy of Physics
Physics Education
 (with Secondary Teaching
 Certification option)

APPLIED PHYSICS

Engineering Physics
Biomedical Physics

Architect
 Astronomer
 Astrophysicist
 Computer Programmer
 Design Engineer
 Engineering Mechanics Specialist
 Forensic Scientist
 Geophysicist
 Health Physicist
 Instrumentation Technician
 Nuclear Medicine Technologist
 Optical Technician
 Plasma Physicist
 Project Manager
 Research & Development Engineer
 Science Laboratory Technician
 Seismologist
 Semi-Conductor Process Engineer
 Teacher, Science/Math

Minor in Earth and Atmospheric Sciences

Minor in Mathematics

Minor in Mathematics for Biology

ATTENTION PHYSICAL SCIENCES TRANSFER STUDENTS!!

A No Brainer for Students with Big Brains!!

Expand Your Career Options

- Explore a **math or science teaching career** and learn from experienced math and science teachers in the Cal Teach 3-course series and paid internships.
- Get a head start on satisfying some state teacher certification requirements while you earn your bachelor's degree from the School of Physical Sciences.

Test Drive the Cal Teach Program

Enroll now in **PhySci 5**, "Introduction to Science & Math Teaching."

For more information, please contact:

Cal Teach Resource & Advising Center

949.824.0689 • calteach@uci.edu • www.gse.uci.edu/calteach/

Degree Requirements

• **University Requirements**

- Entry Level Writing (ELW) – Required for admission as a transfer student, this should be completed
- American History & Institutions – Probably already completed
- 2.0 GPA
- Minimum 180 quarter units – Only 70 semester units (105 quarter units) can be transferred from a community college
- General Education Classes – IGETC fulfills most of these Categories I – VIII

• **School, Departmental, and Major Requirements**

- Specific classes

Reminder: Review the UCI Catalogue, now online.

Other Requirements

American History and Institutions (may be met in several ways):

Most students have satisfied this requirement with high school work.

International students, see a counselor for information on how to satisfy the requirement.

Residence requirement

At least 36 of the final 45 units completed by a student for the bachelor's degree must be earned in residence at the UCI campus.

Normal progress toward degree

Must follow the program of study required for your major and graduate when done (normally in two years).

Reminder: Nothing is Automatic

Grade Requirement

Minimum grade point average of at least 'C' (2.0) is required:

1. Overall
2. In all of the courses required for and offered in the major program
3. In the upper-division courses required for and offered in the major program

In any given quarter, if all three of these requirements are not met, you may be subject to probation or disqualification. If your quarterly GPA falls below 2.0, you may be subject to probation or disqualification.

General Education (GE)

General Education categories

- I. Writing:
lower- and upper-division
- II. Science and Technology
- III. Social and Behavioral Sciences
- IV. Arts and Humanities
- V. Quantitative, Symbolic, and
Computational Reasoning
- VI. Language Other Than English
- VII. Multicultural Studies
- VIII. International/Global Issues

IGETC fulfills all requirements except upper-division writing, which must be done at UCI

0.0 p/np units

mc = meeting room/time changed

That's it!! You're enrolled!!

Enrollment...

You can register for classes after orientation! But what about every other quarter?

- ~ Each quarter is 10 weeks long
(Finals during '11th' week)
- ~ WebSOC becomes available
Week 6
- ~ Check WebREG for
Enrollment Window
during Week 7
- ~ Enrollment Windows open
starting Week 8
- ~ You have 48 hours to add/drop/modify classes:

After your Window closes, you can access WebREG only
between the hours of 7pm and 7am, until the Open Enrollment begins.

Financial Aid and Health Services

Fees and Financial Aid

E-Bills (paperless tuition bill) will be e-mailed to your UCI e-mail address in late August

Financial aid will be applied to fees automatically if you have enrolled in at least 6 units (need to take a minimum of 12 units)

Health Insurance

You are automatically enrolled

You can waive out of the plan if you have comparable coverage

Waiver deadline is Sept. 8th, but take care of this earlier

Complete details can be found at:

www.shs.uci.edu

zotALERT

UCI has introduced "zotAlert," an emergency alert system that uses text messages to quickly notify the UCI community of a natural disaster, crisis response or need to secure the campus.

Sign Up for zotAlert today!!

You will need a "text-enabled" cell phone to sign up.

Login to StudentAccess

Things to do

- Complete Statement of Legal Residence
- Review New Student Website
- Submit transcripts and AP scores to Admissions, by July 1st!
- Enroll in classes
- Apply for a USHIP waiver: deadline September 8th
- Pay your fees: deadline September 15th
- Check your enrollment
during Open Enrollment: beginning Sept 20th
- Update your local address at the 'Student Access' website
- Pick up your Student ID at UC Bookstore

Welcome Week (Sept 25 - Sept 29)

Plan to attend these special events on Monday, September 25th,

- ~ New Student Convocation at 9:00am
At Bren Events Center
- ~ Dean's Welcome at 10:15am
At various locations

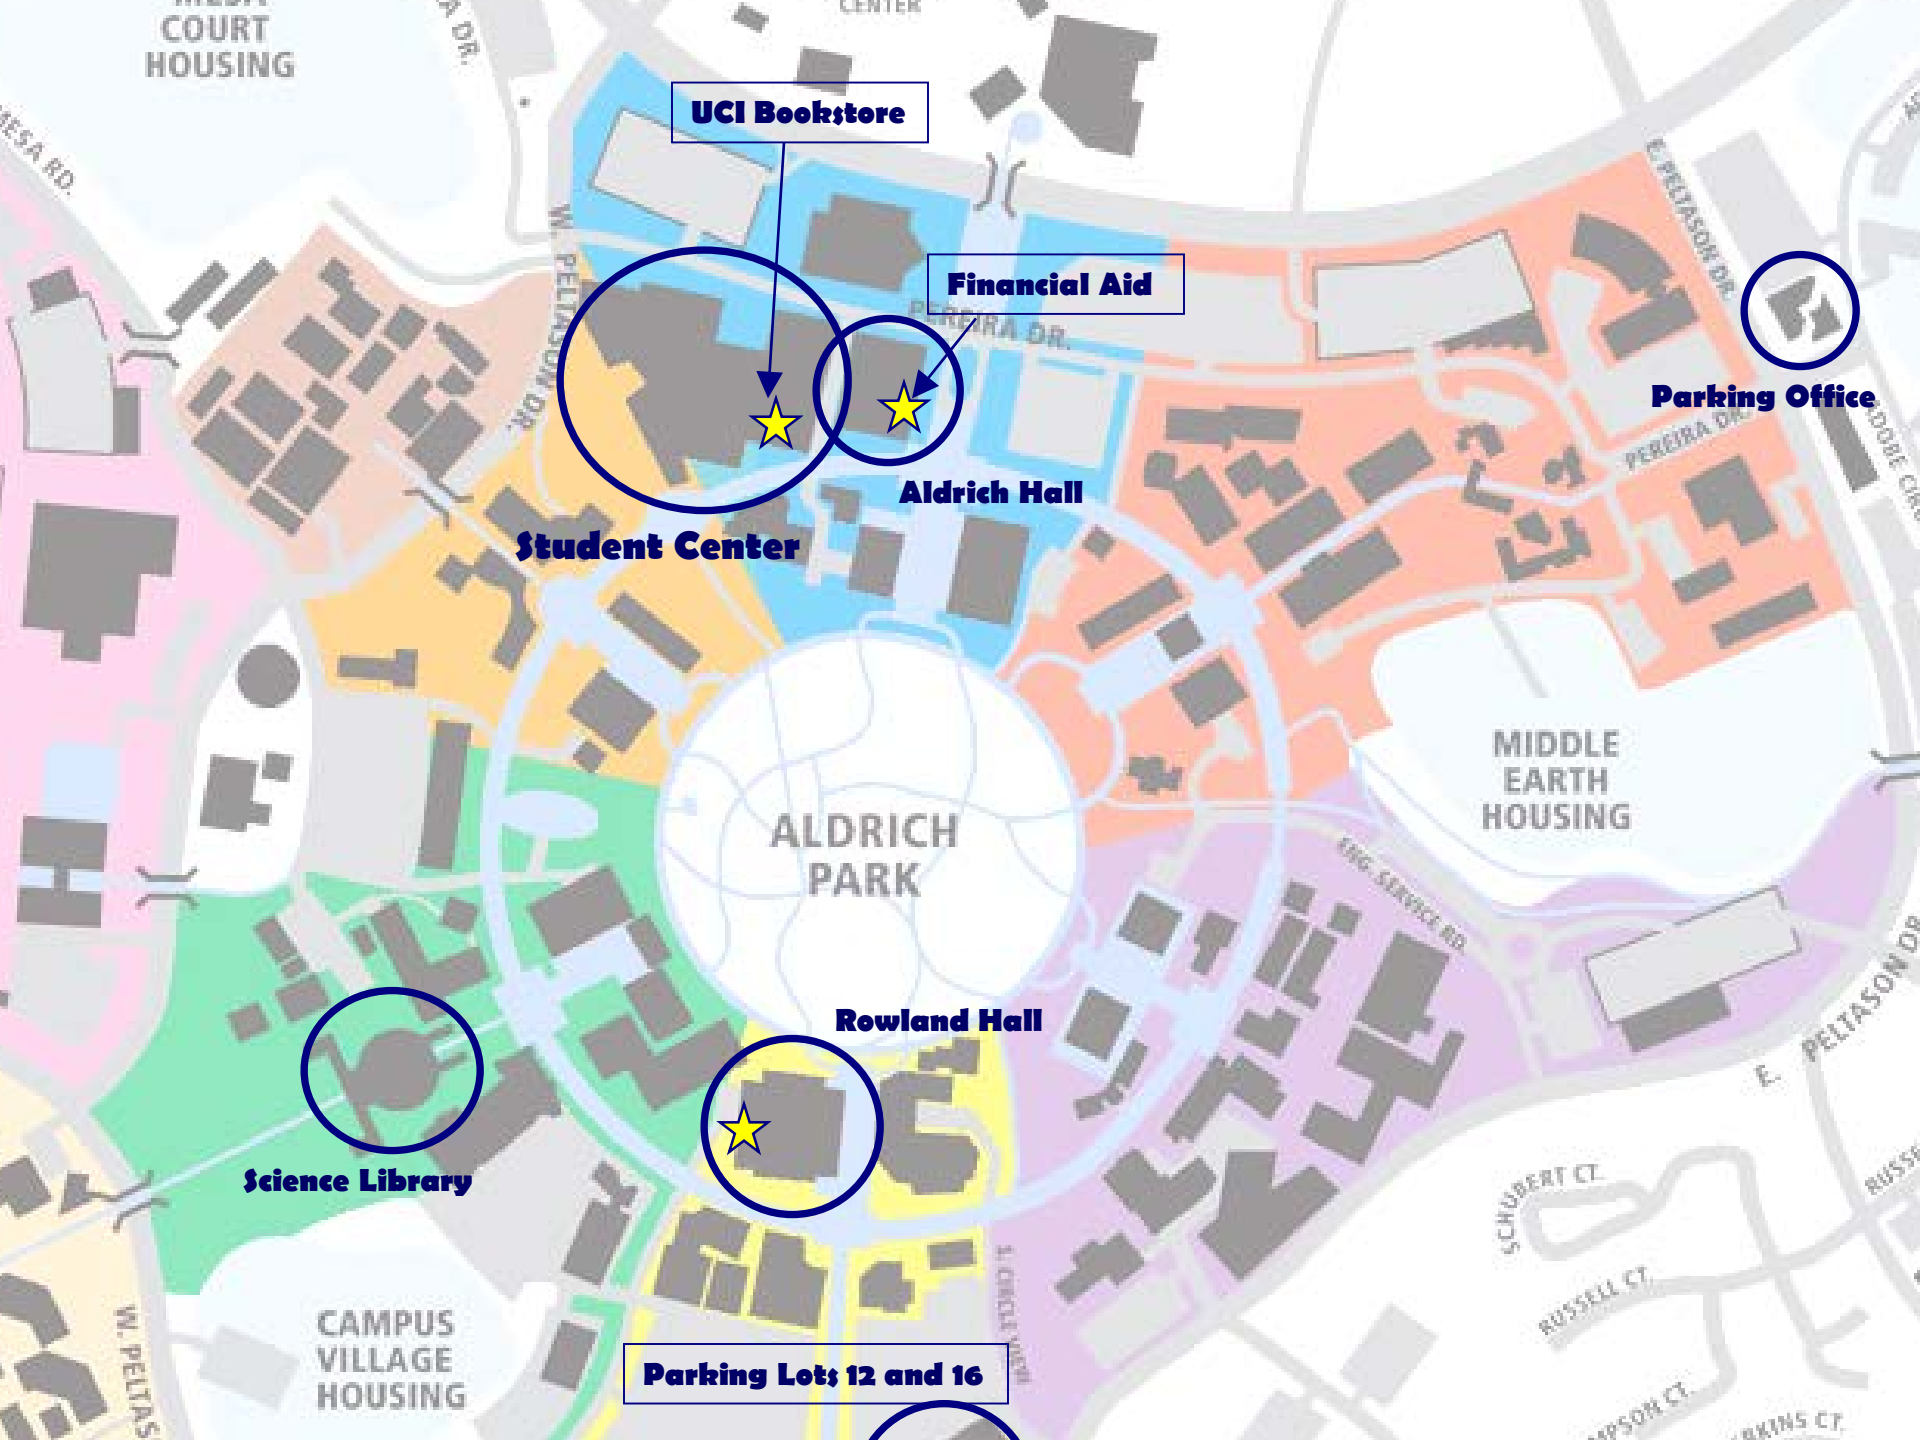

If you have any questions come find us
during welcome, in our office:
Rowland Hall, room 134.

**Classes begin:
Thursday, September 28th!**
