

PHYSICAL SCIENCES QUARTERLY

SPRING 2013 EDITION

ANNOUNCEMENTS/ UPCOMING EVENTS:

- Come check out our page on Facebook for school updates and other important information. Look us up under UCI Physical Sciences <http://www.facebook.com/UCI.PhysSci>
- You can enroll in a maximum of 18 units when your window opens. This is increased to 20 units during Open Enrollment.

In this issue...

- Like us on Facebook!

facebook

- Actuarial Society
- Celebrate UCI
- iCamp
- New Math & Biology Minor and Specialization
- Math, Chem and Physics clubs
- Tutoring Info

...and much, much more!

IMPORTANT FALL QUARTER DATES:

- April 1** - Instruction begins
- April 12** - Deadline to drop a class without dean's approval using WebReg (5pm)
- April 19** - Deadline to add a class without dean's approval using WebReg (5pm)
- May 27** - Memorial Day
- June 7** - Last day of classes
- June 8—13** - Final Exams
- June 16** - Physical Sciences Commencement Ceremony

ADD/DROP POLICIES

****DROP:** The deadline to drop courses in the School of Physical Sciences is the end of Week 2 by 5:00PM. Drops can be made in WebReg.

****CHANGE:** The deadline to change grade option or variable units is the end of Week 2 by 5:00PM. Changes can be made in WebReg.

****ADD:** The deadline to add courses in the School of Physical Sciences is the end of Week 3 by 5:00PM. Adds can be made in WebReg.

An online petition will be used for adds, drops, and changes after the listed enrollment deadlines have passed. Log into [STUDENT ACCESS](#) to submit an enrollment exception request.

****Some departments within the School of Physical Sciences have deadlines earlier than those for the School. Please see the comments in the SOC for details:**

CHEMISTRY ADD: The deadline to add courses in the Department of Chemistry without permission using WebReg is the end of Week 2 by 5:00PM. **Please NOTE: This deadline is earlier than the School of Physical Sciences week 3 deadline.** Send an email to undergrad@chem.ps.uci.edu for approval to add a chemistry course during week 3.

NO CHEMISTRY LABORATORY CHANGES AFTER WEEK 1. Please NOTE: This deadline is earlier than the School of Physical Sciences week 2 deadline.

GRADUATING SENIORS

Nervous about finding a job? Visit our career info page:

<http://ps.uci.edu/stuaff/content/careers.html>

...and don't forget to submit those graduation applications, the time is now if you plan on graduating in the spring or summer. Log in to Student Access today!

Visit the Spring Career Fair May 2 from
10am—3pm !

Help us reach 1,000 "likes" on Facebook! You will be automatically entered in a drawing to win:

- 1st prize: \$50 UCI Bookstore gift card
- 2nd prize: \$25 UCI Bookstore gift card
- 3rd prizes: 1 of 8 prizes including t-shirts, decals, magnets & MORE!

<http://www.facebook.com/UCI.PhysSci>

CAREERS AFTER COLLEGE

[HTTP://PS.UCI.EDU/STUAFF/CONTENT/CAREERS](http://ps.uci.edu/stuaff/content/careers)

- **Math** provides a solid foundation for further study in graduate or professional school, including law school or business school. Information about math careers is available at: [AMS Careers](#), [MAA Careers](#), [AWM Career Resources](#)
- **Physics** majors are analytical thinkers with a basic understanding of natural processes. Even with a Bachelor's degree, physics majors are in high demand in our technological society. To get an idea of industrial opportunities go to: www.dice.com and search "physics", [AIP Careers](#), [APS Careers](#), [SPS Careers](#)
- **Chemistry** majors are prepared to go on to careers in the chemical sciences as well as in biology, medicine, earth sciences, secondary education, business, and law. More information is available at: [AIC Career](#), [ACS Careers](#)
- **EES** students go on to graduate school programs and careers as research scientists in academic, public, or private institutions. Students are prepared to enter the workforce directly as scientists in a diverse array of fields. EES career information can be found at: [AGI Careers](#), [AGU Careers](#), [GSA Careers](#)

NEW MATH AND BIOLOGY SPECIALIZATION AND MINOR

Interested in math AND biology?

Math majors, there is a **new specialization in Mathematical Biology**! Mathematical biology is an integration of using mathematical models and tools and their applications in biology. Mathematical models and simulations are formulated and analyzed in order to answer biological questions.

There is also a **minor in Mathematics for Biology** for non-majors. Both the minor and specialization includes a new course, [Mathematical Modeling in Biology \(Math 113A-B-C\)](#). If interested, please come by our office for more information!

iCAMP

<http://math.uci.edu/~icamp/>

- Math 77 A-B-C-D are new courses this year offered by iCAMP starting this Winter 2013
- iCAMP provides an opportunity for first and second year students to learn about a topic in computational applied mathematics, get early research experience and explore what it is like to work as a professional in computational applied math.
- All majors welcome but Math 2A, Math 2B and ICS/CSE 21 are required for iCAMP
- Students who have completed a Math77 course may apply for a paid summer research position.

ACTUARIAL SOCIETY

The Actuarial Society of UC Irvine provides students with a network of ambitious and motivated individuals interested in the field of actuarial science. Our society will offer numerous resources for members such as internship opportunities, exam preparation, and networking events with other actuarial organizations in southern California. For more information, visit their website at: <http://www.clubs.uci.edu/actuarialsociety/>

ANTEATERS MATHEMATICS CLUB

The Anteaters Mathematics Club (AMC) is really growing this year! The club meets every Monday from 5:00–6:00pm in Rowland Hall 306. We alternate weeks with exciting mathematics talks by faculty and fun, social, math related events. All math enthusiasts are welcome!

AMC is a student-initiated academic group dedicated to serving the needs and interests of all students interested in mathematics. The goal of AMC is to build strong mathematics student community at UC Irvine. AMC provides opportunities for students to explore areas of mathematics outside the classroom, enhance inter-student communication and co-operation and begin preparing for future careers in mathematics. Some of activities include: Undergraduate Mathematics Colloquiums, Workshops on careers, graduate schools, and undergrad research, as well as peer networking/advising sessions, volunteer opportunities, and more.

You do NOT need to be a math major to join AMC! Anyone who is passionate about mathematics is welcome. If you have any questions or comments about AMC, you can contact the faculty coordinator, Dr. Sarah Eichhorn, at sfrey@math.uci.edu.

SOCIETY OF PHYSICS STUDENTS

At UCI, the Society of Physics Students, or SPS, is a primarily undergraduate student organization set up for the purpose of promoting the study of physics, assisting students studying physics, providing career guidance to physics students, and presenting research opportunities in the physics department.

To achieve these goals, SPS conducts demonstrations and organizes events to help students to develop interest in studying physics, provides a place of study to members (Frederick Reines Hall, Room 2137), and offers access to instructors and researchers in the physics department, in addition to providing a group of fellow physics students to discuss and assist in the study of physics.

The Society of Physics Students (SPS) is a community for students interested in physics and related fields. For more information, go to <http://www.physics.uci.edu/~sps/> or visit the SPS room (FRH 2137).

The Astronomy Club meets regularly. Explore the Universe with them: <http://www.physics.uci.edu/~astroclub/>

CAL TEACH CLUB

The Cal Teach Club was established as a UCI campus club in Fall of 2008. The club is a network of students geared towards providing resources for students interested in becoming future math and science teachers. The club is connected with the Cal teach Program and provides a smaller community to learn of opportunities in a social setting of peers with the same interests.

The Cal Teach Club meets from 6:00 pm–7:30 pm every odd Wednesdays in Rowland Hall 190. Visit <https://sites.google.com/site/calteachclub/> for more information on the UCI Cal Teach Club!

For more information on the Cal Teach Program, please visit: <http://www.gse.uci.edu/calteach/>

CHEMISTRY CLUB

We are the American Chemical Society Student Affiliates also known as the Chemistry Club at UC Irvine. The Chemistry Club is an undergraduate organization that is committed to help other undergraduates on campus to reach their educational and career goals by showing them many opportunities that are available through the field of chemistry.

Our focus this year is green chemistry, and we are planning to incorporate the idea of global warming and recycling in our events. As a club, we hope to provide our members with valuable workshops and information for those who are interested in graduate or medical schools as well as industrial field.

Our club looks forward to having more exciting events such as inviting more professors to come and to talk, doing hands-on demos, and a field trip to the nuclear reactor located at UCI.

Visit our website: <http://www.clubs.uci.edu/acssa/>

NEW STUDENT UCI GMAIL

New students beginning Fall 2012 are now using UCI Google Apps Gmail. Continuing students who have WebMail can switch to Gmail by visiting this website and following the instructions:

<http://google.uci.edu/students.html>

WOULD YOU LIKE TO PARTICIPATE IN RESEARCH?

Visit the Research page of our office website, at

<http://ps.uci.edu/stuaff/opportunities/research>.

Come in and see us for more info, we are in RH 134.

CELEBRATE UCI!

One Day. One Campus. Many Options. Come to Celebrate UCI on Saturday April 20, 2013. This spring event features an outdoor Festival, Open House and Car Show. Wayzgoose, UCI's oldest tradition, is a student run festival in Aldrich Park - filled with live entertainment, food, games and rides for UCI and the community. Many offices and services will be open or available with information for everyone - especially prospective students. This includes academic program information and sessions; campus, housing and recreation facilities tours; Financial Aid and Admissions; and much more.

Events and Parking are FREE. Visit www.uci.edu/celebrate for more information and specific times of events.

UPDATE YOUR ADDRESS

Remember, every time you move, you should log on to the Student Access website and update your local and/or permanent address. This way, the Student Affairs Office and other offices on campus can send you important information in the mail.

MEET THE PEER ADVISORS AND ACADEMIC COUNSELORS

Our office is open weekdays from 9:00am—4:00pm, and we advise walk-in students every day, no appointment needed. We are in 134 Rowland Hall!

Bianca.....bjaquez@uci.edu

Miguel.....mndiaz@uci.edu

Joy.....jbtsai@uci.edu
