

TEACHERS' WORKSHOP IN ASTRONOMY & ASTROPHYSICS INTEREST SURVEY for SUMMER 2006

Information about the workshop, which will be held Monday and Tuesday, August 7-8, 2006, can be found at <http://www.physics.uci.edu/~observat/workshop.html>.

Please fill out and return this survey to Tammy Smecker-Hane by email (tsmecker@uci.edu), fax (949 824-2174) or postal mail (Department of Physics & Astronomy, 4129 Frederick Reines Hall, University of California, Irvine, CA 92697-4575). If you have any problems, please phone her at (949) 824-7773. After you return the survey, you will be issued an official invitation to attend the workshop. Invitations will be given on a first-come first-served basis, but preference will be given to teachers in the partner schools which are participating in the UCI FOCUS program (Santa Ana, Newport Mesa, and Compton Unified School Districts).

1. Teacher Name:
2. Name of School in which you teach:
3. Grade Level(s) you normally teach:
4. School District in which you teach:
5. Email Addresses: (please note which address is best to use to contact you in July/August right before the workshop)

(work)
(home)

6. Telephone number at work and home (the later for emergencies):

(work)
(home)

7. Home Address (in case of emergency and for mailing the parking passes and the Information Form that you'll need for the workshop):

8. Carpooling:

Are you interested in carpooling to the workshop? (Yes, No)

I will send the names, towns, email addresses and phone numbers of the teachers interested in carpooling so you can get in contact with one another and set up carpools.

9. Sandwich Preference: (put an X next to your favorite)

Turkey	Roast Beef
Ham	Vegetarian

10. Drink Preference: (put an X next to your favorite)

Lemonade	Pepsi	Coffee
Iced Tea	Diet Pepsi	Hot tea
Water	Sprite	

11. Please put an X in front of the response that applies to you:

I have filled out the Information form attached to this email and am returning it with my survey.

I could not read the Microsoft Word document and need you to send it to me via postal mail.

12. Each teacher will receive a copy of either a slide set entitled "The Solar System" (the Sun, planets, moons, comets, etc.) or a CDROM with a collection of images from the Hubble Space Telescope (galaxies, star clusters, nebulae, etc.). Please put an X next to your preference:

Solar System Slide Set
 Hubble Space Telescope CDROM

13. For the following list of subjects, rate from 1 to 5 your level of interest in learning about during the workshop, where 1 = very interested, 2 = somewhat interested, 3 = neutral, 4 = not interested, 5 = don't know/not sure.

Level of Interest

- A) Solar/Lunar Eclipses
- B) Phases of the Moon
- C) Night Sky/Constellations
- D) Asteroids
- E) Planets
- F) Sun
- G) Stars
- H) Galaxies
- I) Universe

14. Do you know about the tours of the UCI Observatory and the classroom visits that we offer to FOCUS schools as part of our outreach program?

(Yes, No) Observatory Tours
(Yes, No) School Visits

Have you and your class participated in them?

(Yes, No) Observatory Tours
(Yes, No) School Visits

15. We have added a link on the Observatory web site:
<http://www.physics.uci.edu/~observat/#e&o>, that is called "Information and Useful Links for Teachers". We plan to continue adding to it as time goes on. Can you think of anything that is not there which you wish was there? If so, we will try to add it in time for the workshop.

16. Feel free to give other comments and suggestions below.
